

DPS STEMConnect Logo Contest

We would love your help designing a STEM logo for Denver Public Schools!

Theme: DPS STEMConnect– Science, Technology, Engineering and Math Education

What We Do: Provide STEM Education K-12

Top Three Things to Communicate:

#1 – Science, Technology, Engineering and Math

#2 – Community/Students

#3 – Connections to DPS and Career Connect (See logos below)

Our Target Audience: Demographics: Generation X, Y, Z, community members, industry, future students and parents.

Our Ideas and Additional Information: Looking for simple, modern design. It is preferred that the designer incorporate a similar theme as the Career Connect logo.

Contest ends October 7th!

Please submit as a scalable vector graphic in EPS format, and also as a JPG. Include student name, school, phone number and email address. All submissions must be sent to the new STEM coordinator, through email stephanie_spiris@dpsk12.org. Please title the email 'STEMConnect LOGO Contest'.
